## USO AND MENSA-INDIA COME TOGETHER

USO and Mensa-India are coming together to bring IQ Test to schools nationally.

Mensa - India, started in 1972, is the Indian arm of Mensa International - the oldest and largest IQ society.

This 25-question, 40-minute adaptive test, has been developed specifically for school students and is a pre-test. It requires no preparation, and students scoring greater than 90th percentile, shall receive a Certificate of Excellence along with a medal.

All students to receive an Adaptive Intelligence Test Report after taking the test.

## **UPDATES FROM USO OFFICE**

On account of the lockdown in Delhi, our offices have been closed, and are operating in a limited capacity. Only few of us are able to work from home. Additionally, the situation surrounding COVID, has also made things difficult. At this point, we are unsure of the dates of our events. Once things improve and schools reopen, we shall communicate the dates through our social media pages and World Informo.

We are working hard to bring new and exciting extra-curricular activities for USO Member Schools, their students and teachers.
