DETAILS FOR SCHOOLS

About USO National Tests

USO, established in **1951**, holds the distinction of pioneering extracurricular assessments nationwide. USO National Test certificates are highly regarded for applications to esteemed national and international graduate and post-graduate programs like IIM, US universities, as well as for government job placements. Over the past several years, millions of students have leveraged the benefits of participating in USO National Tests. As we approach 2024, we commemorate the **74th year of conducting these assessments in schools across the country.**
