NATURE OF THE SPARK

Inclusive academic assessment programme

HIGHLIGHTS & IMPACT

- Introduced a dedicated national assessment platform for specially-abled learners.
- Addressed the need for age- and ability-appropriate evaluation beyond conventional testing models.
- Enabled students with Intellectual Disabilities, ASD, Cerebral Palsy, Down Syndrome, developmental delays, and other learning needs to participate.
- Empowered educators and parents with structured insights into functional and life-skill learning outcomes.
- Reinforced USO's commitment to inclusion as a core educational value.

ENDURING VALUE

The AccessAbility Series establishes a sustainable and compassionate assessment framework that normalises inclusion, supports learner confidence, and ensures that every child's progress is recognised and valued.

"True education is inclusive—when every learner is seen, supported, and celebrated."
