OBJECTIVE: To celebrate National Education Day by making learning enjoyable and engaging for students through fun activities in Mathematics, English, and Personal Hygiene, while strengthening foundational knowledge and encouraging curiosity, confidence, and the joy of learning.

LOCATION & SCOPE	STAKEHOLDERS & FORMAT	NATURE OF THE SPARK
When: November 11, 2026 Event: National Education Day Location: USO CO-Action Learning Centre	Who: Students of the USO CO-Action Learning Centre & USO Team Format: Worksheets & learning activities.	An engaging learning initiative promoting foundational skills through fun and interactive activities.

HIGHLIGHTS & IMPACT

- Celebrated National Education Day through engaging learning activities at the USO Co-Action Learning Centre.
- Organised fun worksheets in Mathematics and English.
- Included activities to promote awareness of personal hygiene.
- Encouraged students to learn through participation and hands-on activities.
- Reinforced foundational skills in an enjoyable learning environment.
- Promoted the importance of inclusive and holistic learning.

ENDURING VALUE

The initiative highlighted how simple, engaging activities can make learning meaningful and enjoyable. By nurturing curiosity, building foundational skills, and encouraging everyday learning, it reinforced the importance of creating opportunities for every child to learn, grow, and dream.

"Every step in learning today leads to greater possibilities tomorrow."
